No. ALAIT .0013/2024/4474

Dated 03/10/ 2024

NOTICE INVITING TENDER

Terms and conditions for submission of Quotation for "SUPPLY, INSTALLATION, COMMISSIONING, MAINTAINENCE for SETTING UP OF NETWORK & COMMAND OPERATION CENTER" at Assam Legislative Assembly Secretariat

INTRODUCTION

The primary objective of setting up a Network and Command Center is to provide real-time monitoring, management, and control of the Assembly's IT infrastructure and communication systems. With the rise of digital communication, video conferencing, online meetings, and cloud-based document management, a dedicated Network and Command Center will:

- a) Ensure uninterrupted service delivery during Assembly sessions and day-to-day operations.
- b) Monitor network performance and detect faults before they disrupt the functioning of essential services.
- c) Provide centralized control over IT and network resources, allowing for streamlined troubleshooting.
- d) Ensure cyber security by monitoring for and responding to network threats, thus protecting sensitive legislative data.

1. INVITATION TO BIDS

The invitation to Bid is for- "SUPPLY, INSTALLATION, COMMISSIONING, MAINTAINENCE for SETTING UP OF NETWORK & COMMAND OPERATION CENTER at Assam Legislative Assembly Secretariat."

The Bidders are advised to study the tender document carefully. Submission of Bids shall be deemed to have been done after careful study and examination of the tender document with full understanding of its implications. This section provides general information about the Issuer, important dates and addresses and the overall eligibility criteria for the Bidders.

a. ISSUER

Assam Legislative Assembly Secretariat is the issuer and invites bids for "SUPPLY, INSTALLATION, COMMISSIONING, MAINTAINENCE for SETTING UP OF NETWORK & COMMAND OPERATION CENTER at Assam Legislative Assembly Secretariat", as per the scope of the Bid.

b. ISSUER ADDRESS FOR BID SUBMISSION AND CORRESPONDENCE:

NAME	Shri. Dulal Pegu
DESIGNATION	SECRETARY
ADDRESS	Assam Legislative Assembly Secretariat, Dispur-06
Email	Dulalpegu.ala@assam.gov.in

c. KEY EVENTS

Last Date for submission of Bids	24.10.2024 at 2:00 PM
Opening of Technical Bids	24.10.2024 at 4:00 PM

Opening of Commercial Bids

To be announced

d. OTHER IMPORTANT EVENTS

Particular	Details
Bid Inviting Authority and bids to be submitted to	Secretary, ASSAM LEGISLATIVE ASSEMBLY SECRETARIAT
Bid reference no .and date	No. ALAIT .0013/2024/ Dated 03/10/ 2024

Tender fee of Rs. 1000.00/- (non refundable) to be remitted through Cash/ Demand Draft, from any commercial Nationalized/ Scheduled bank, drawn in favour "Secretary, Assam Legislative Assembly, Dispur-06.

f. VENUE AND DEADLINE FOR SUBMISSION OF PROPOSAL

Sealed and signed bids from bidders must be received at the address specified not later than dates specified in this document.

1. MODES OF SUBMISSION:

a) It is proposed to have a Three Cover for this tender:

Technical Bid - (1 copy) in one cover

Commercial Bid - (1 copy) in one cover

b) Technical Bid and Commercial Bid of the Tender should be covered in separate sealed covers superscribing "Technical Bid", and "Commercial Bid". Please Note that Prices should not be indicated in the Technical Bid but should only be indicated in the Commercial Bid. And if price will be indicated in the Technical Bid, that Bid is liable to be rejected.

The two envelopes containing Technical Bid and Commercial Bid should be put in another single sealed envelope clearly marked with the reference number of the tender document and name of the job.

c) The cover thus prepared should also indicate clearly the name, address, telephone number, E-mail ID and fax number of the Bidder to enable the Bid to be returned unopened in case it is declared "Late".

2. COST OF BIDDING:

The Bidder shall bear all costs associated with the preparation and submission of its Bid including cost of presentation for the purposes of clarification of the Bid, if so desired by the Secretariat. Secretariat will in no case be responsible or liable for those costs, regardless of the outcome of the Tendering process.

3. LANGUAGE OF BIDS:

The Bids prepared by the Bidder and all correspondence and documents relating to the Bids exchanged by the Bidder and Secretariat, shall be written in English language. Any printed literature furnished by the Bidder may be written in another language so long the same is accompanied by a duly attested

Amr

English translation in which case, for purposes of interpretation of the Bid, the English translation shall govern.

4. BID PRICES:

The Bidder shall indicate price in the prescribed format, the unit rates and total Bid Prices of the equipment / services, it proposes to provide under the Contract. Prices should be shown separately for each item as detailed in the Tender Document. In absence of the above information as requested, the Bid may be considered incomplete and hence rejected. The price components furnished by the Bidder in accordance with format will be solely for the purpose of facilitating the comparison of Bids by the Secretariat.

The Bidder shall prepare the Bid based on details provided in the Tender Document. It must be clearly understood that the scope of work is intended to give the Bidder an idea about the order and magnitude of the work and is not in any way exhaustive and guaranteed by the Secretariat. The Bidder shall carry out all the tasks in accordance with the requirement of the Tender Document & due diligence and it shall be the responsibility of the Bidder to fully meet all the requirements of the Tender Document. If during the course of execution of the project any revisions to the work requirements like Technical specifications, Equipment sizing etc. are to be made to meet the goals of the Secretariat, all such changes shall be carried out within the current price.

5. BID VALIDITY PERIOD:

Bids shall remain valid for 180 days after the date of opening of Pre -qualification cum Technical Bids prescribed by the Secretariat. A Bid valid for a shorter period may be rejected as non-responsive. However, the prices finalized after opening the tenders shall not increase throughout the period of implementation and operation. The prices of components quoted in the Financial Bid by the Bidder shall remain valid for the project period.

6. EVALUATION OF TECHNICAL BIDS:

The evaluation process of the Tender, proposed to be adopted by Secretariat is indicated under the clauses. The purpose of these clauses is only to provide the Bidders an idea of the evaluation process that SIA may adopt. However, Secretariat reserves the right to modify the evaluation process at any time during the Tender process, without assigning any reason, whatsoever and without any requirement of intimating the Bidders of any such change.

EVALUATION OF PRE QUALIFICATION cum TECHNICAL BIDS:

Bidders need to fulfil all the technical criterion mentioned Qualification Criteria of the NIT. Bidders who fail to comply with any of the criteria specified shall not be allowed to participate in the financial round and their commercial bids received shall be returned unopened. Secretariat will examine the Bids to determine whether they are complete, whether the Bid format confirms to the Tender requirements, whether any computational errors have been made, whether the documents have been properly signed, and whether the Bids are generally in order.

A Bid determined as not substantially responsive will be rejected by Secretariat and may not subsequently be made responsive by the Bidder by correction of the nonconformity.

The Secretariat may waive any informality or non-conformity or irregularity in a Bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

The Secretariat may at any point of time as clarifications from the Bidders for getting more clarity of the proposal received. The clarification shall be given in writing immediately, but no change in the price shall be sought, offered or permitted.

7. CRITERIA FOR EVALUATION OF BIDS:

A two-stage procedure will be adopted for evaluation of bids, with the qualification cum technical bid completed before the financial evaluation and thereafter financial bids being opened and compared. Pursuant to qualification of technical criterion, Bidders will be short-listed for financial round. Financial Bids will be opened only for the Bidders who succeed the pre-qualification cum technical criterion. The commercial Bids of the disqualified Bidders will be returned unopened at the address mentioned on the envelopes.

Secretariat will review the technical Bids of the short-listed Bidders to determine whether the technical Bids are substantially responsive. Bids that are not substantially responsive are liable to be disqualified. The commercial Bids for the technically qualified Bidders will then be opened and reviewed to determine whether the commercial Bids are substantially responsive. Conditional Bids are liable to be rejected.

8. EVALUATION OF FINANCIAL BIDS:

The bidder who quotes the lowest in terms of overall project cost shall be declared as L1 bidder.

9. NOTIFICATION OF AWARD:

Notification to Bidder or Letter of Intent (LOI) to the successful bidder:

Before the expiry of the period of validity of the proposal, Secretariat shall notify the successful bidder in writing by registered letter or by fax, that its Bid has been accepted. The Bidder shall acknowledge in writing receipt of the notification of selection and shall send his acceptance to enter into agreement within seven (7) days of receiving the notification.

10. Bidder Qualification criteria's:

- i). The Bidder must be a registered company / LLP / Proprietorship/ Partnership firm under partnership act 1932.
- ii). Consortium/ JV's are not allowed.
- iii). Copy of PAN & GST to be submitted.
- iv). The bidder must have an average annual turnover of 03 (THREE) Crores in last 3 financial years i.e. 2020-21, 2021-22, 2022-23. CA declaration in letterhead to be submitted including the UDDIN number.
- v). The net worth of the bidder should be positive as per audited annual financial results of immediately preceding financial year i.e., 2022-23.
- vi). The bidder must have local registered office in Assam for the last 3 years. Trade License to be furnished. Any bidder who doesn't have an office setup shall submit an undertaking citing to open an own office setup within 30 days of the award of LOI.
- vii). The bidder shall have service set-up /service engineer located at Guwahati, Assam state (Self declaration certificate to be submitted).
- viii). The bidder must have successfully completed similar works during last 7 (seven) years in INDIA from the bid submission date in Central Government / State Governments / PSU. Documentary evidence to be submitted.
- ix). The bidder shall submit the below
 - a. Three similar completed works costing not less than the amount equal to Rs. 60,00,000/- (Sixty Lakhs) only in each of work order

OR

- b. Two similar completed works costing not less than the amount equal to Rs. 96,00,000/- (Ninety Six Lakhs) only in each of work order
OR
- c. One similar completed work costing not less than the amount equal to Rs. 1,20,00,000/- (One crore twenty lakhs) only

Similar work applicable would be any work of system integration project consists of Supply, Installation, Testing & Commissioning of IT System Integration turnkey project including supply of network IT equipments". The work order must be from any Govt institution / department / PSU / Central Govt. only.

- x). The Assam Legislative Assembly Secretariat is not bound to accept the lowest rate of any tender and reserves the right to accept or reject any or all tender without assigning any reason thereof. The Assam Legislative Assembly Secretariat also reserves the right to cancel the contract before its expiry if the supplied item for any reason is found to be unsatisfactory.
- xi). Bids that do not comply with above terms in full will be treated as non-responsive and such bids shall prima-facie be rejected.

11. SCOPE OF WORK:

To design, setup, and implement a centralized Network Operations and Command Center for real-time monitoring, management, and troubleshooting of the organization's IT infrastructure, networks, and systems.

The establishment of a Network Operations and Command Center Room within the Assam Legislative Assembly premises has become utmost important. In light of increasing reliance on digital infrastructure and communication systems, the creation of a NOC would greatly enhance the Assembly's technological and operational efficiency. Without a Network Operations and Command Center, an organization's network operations become more vulnerable to downtime, security threats, poor performance, and compliance risks. The lack of real-time monitoring and proactive management can lead to long-term operational, financial, and reputational damage.

A. Network Infrastructure Design and Setup

- Network Architecture Design: Develop detailed network architecture to support high performance, reliability, and scalability.
- Network Hardware: Supply and installation of routers, switches, firewalls, load balancers, and other necessary network devices.
- Server Room and Data Center Equipment: Installation of racks, servers, and storage units in line with the design specifications.
- Power and Redundancy: Set up UPS, power distribution units (PDUs), and backup power solutions to ensure continuous operations.
- Environmental Controls: Set up air conditioning, humidity control, and other environmental systems for optimal equipment functioning including fire alarm system.

B. Monitoring Systems and Tools

- Network Monitoring Tools: Supply, configure, and test network monitoring systems for real-time tracking of network health, performance, and security.
- Alert and Incident Management: Integration of alert systems for real-time notifications and incident management workflows.
- Network Analytics and Reporting: Tools for generating reports on network performance, capacity usage, and traffic patterns.

- Remote Access and Control: Setup secure VPN or remote desktop solutions for authorized personnel to access and control network operations remotely.

C. Security Setup

- Firewall and Intrusion Detection/Prevention: Configure and deploy firewalls, IDS/IPS, and other security measures.
- Access Control Systems: Implement identity and access management solutions to control entry into network resources.
- Data Encryption: Ensure data security through encryption of sensitive data and secure communication channels.
- Network Security Policies and Compliance: Develop and enforce security policies, procedures, and compliance measures based on industry standards (e.g., ISO, NIST).

D. Communication Systems

- Display Units: Setup large display screens or video walls to monitor network traffic and other KPIs.
- IP-Bax and Communication Channels: Configure IP-Bax systems for streamlined communication among network team members.

E. Backup and Disaster Recovery Systems

- Data Backup Solutions: Implement backup systems for critical data to ensure high availability and quick recovery.
- Disaster Recovery Planning: Create and test a disaster recovery plan, including automated failover capabilities and backup sites if required.

F. Training and Documentation

- Training for Network Staff: Conduct training sessions on using monitoring tools, handling common issues, and adhering to security protocols.
- Documentation: Provide comprehensive documentation covering network design, configuration settings, security policies, and standard operating procedures.

G. Testing and Quality Assurance

- Network Testing: Perform end-to-end testing to validate connectivity, data integrity, security measures, and failover functionalities.
- Acceptance Testing: Conduct user acceptance tests to verify that all components meet the specified requirements.
- Performance Benchmarking: Carry out network performance benchmarking against agreed standards or KPIs.

H. Support and Maintenance

- Ongoing Maintenance: Specify maintenance frequency and required preventive maintenance activities.
- Technical Support: Provide support details, including response times, escalation procedures, and contact information.
- System Upgrades: Outline upgrade paths for hardware and software to ensure longevity and performance as network needs evolve.

12. PERIOD OF CONTRACT: The total contract period is of 03 Years

13. PAYMENT TERMS:

1. 90% on supply of hardware items.
2. 10% on installation and job completion.

14. PRICE BID MUST INCLUDE Priced offer in prescribed format (BOQ) to be submitted.

15. BID VALIDITY: Bid should be valid for 180 (One hundred Eighty) days from the date of bid submission.

16. DELIVERY LOCATION: The address for delivery is "The Assam Legislative Assembly Secretariat", Dispur, Assam 781006
