Action Taken Report

Furnished by the Mines and Minerals Department on the observation and recommendation contained in the last Twenty Sixth Report of the DRSC on Development (D) Departments on Grant No. 61 of the Budget 2024-25

Sl. No.	Observation and Recommendation	Action Taken
1	The Committee earlier reiterates its recommendation for taking necessary steps regarding recruitment of two numbers of Environmental Science and Engineering person in the department for the benefit and efficiency of the Department in the proper sense.	The matter has been considered. Two posts of Asstt. Geologist are proposed to redesignate as Environmental Scientist and incorporated in the proposed Draft of "ASSAM GEOLOGY & MINING (CLASS-1 & 11) SERVICE RULES, 2024".
2	The Committee recommends for creation of a Mines and Minerals Task Force for restricting illegal mining and transportation storage/illegally of mining minerals on need based.	<p>A proposal for raising of a Mines & Minerals Task Force Battalion to cover 10 districts of Assam namely, Tinsukia, Sivsagar, Karbi Anglong, Dima Hasao, Kamrup(M), Goalpara, Sribhumi, Nagaon, Chirang and Lakhimpur submitted by Director of Geology & Mining, Assam in compliance of Hon'ble High Courts order in PIL No. 62/2019 for checking illegal mining in the leasehold areas, Transportation of Minerals etc. was processed and Finance Department was moved.</p> <p>Thereafter, a review petition No.101/2022 was filed as Minerals found in river Banks/Beds are 'Y' Schedule Minerals as per Assam Minor Minerals Concession Rules, 2013 and the Principal Chief Conservator of Forest, Assam is the competent Authority for Administration of all 'Y' schedule Minerals. The Hon'ble High Court disposed of the Review Petition with the following direction-</p> <ol style="list-style-type: none"> 1. The Forest Task Force Battalion be notified through an appropriate notification that it would also perform the duties of protecting the minerals in the river beds. 2. The appropriate personnel in the Forest Task Force Battalion be identified for being detailed in the duty of protecting the minerals in the river beds and such personnel upon being identified be provided with all necessary training that may be required to make them fit for performing the duties of protecting the

		<p>minerals in the river beds.</p> <p>The matter has been taken up with Environment & Forest Department for taking necessary action as per the order of the Hon'ble High Court in the Review Petition. Mines & Minerals Department will explore on the viability of utilizing the Forest Task Force Battalion in checking of illegal Mining, Storage & Transportation etc. of Minerals.</p>
3	<p>The committee observes that in South Salmara Mankachar, there is a Sand Mahal in Kalu River where due to deep excavation of sand, huge landslide occurs in the river bank during rainy season. The Committee therefore, directed the Department for taking up the matter with the Forest Department so as to check whether the excavation is done more than required amount by violating the guidelines of the Mines and Minerals Department and also directed the Department to send a report to the Committee in this regard at the earliest</p>	<p>A team of the officers visited the site and submitted a report and A letter along with the report is sent to DFO, Dhubri Division for necessary action.</p>
4	<p>The Committee recommends the department to hold the meeting of the District Mineral Foundation Trust and Governing Council as per the rules and regulations of the Department.</p>	<p>Most Districts held Governing council meetings on a regular basis as per Rule 6 of Assam District Mineral Foundation (Trust) Rules, 2020.</p>
5	<p>The Committee recommends that the funds of DMF should be utilized with the approval of DMF Trust.</p>	<p>The Fund of DMF is utilized as per PMKKKY Guidelines with the recommendation of the Governing Council of DMF Trust of concerned district. Total accrual of fund from 35 DMF districts till December 2024 is 266,738 Crores, Utilized amount is Rs. 103.5446 Crores and balance amount is Rs. 164.1292 Crores.</p>
6	<p>The Committee recommends the Department to conduct a survey regarding the availability of different mines and minerals items in various places of Assam.</p>	<p>Several projects by different organizations for exploration of minerals are going on in the state of Assam.</p>

OBSERVATIONS AND RECOMMENDATIONS
Grant no. 61

After a great deal of careful consideration of the papers/documents submitted by the Soil Conservation Department and clarification made by the Departmental representatives during the course of tendering their oral evidence the Departmentally Related Standing Committee (DRSC) on Development (D) Departments has made the following Observations and Recommendations.

1. The Departmentally Related Standing Committee (DRSC) on Development (D) Departments observes that there is a lack of regularity and review meetings and updates about the fund utilization etc. in regard to the DMFT meetings across the State.

The Committee recommends the Department to take initiative for holding the DMFT meetings on regular basis. The meeting date to be fixed in consultation with MP, MLA and other Hon'ble Members and regular updates must be provided to the Public Representatives. The committee also recommends for proper utilization of DMFT Fund as per PMKKKY Guidelines.

2. The Committee observes that there is an urgent need for a provision for separate fund to mitigate of any unfortunate disaster related to mining etc.

The Committee, therefore, recommends strongly for necessary steps to be undertaken by the respective Department for proposal in regard to provision for separate Budget allocation to mitigate and manage consequences of any disaster that may occur during mining operations.

3. The Committee during the course of meeting observes that the issue of illegal mining/transportation/storage etc. has not been resolved after repeated discussion in regard to the minerals as for a confusion about the departmental scopes for involvement and responsibilities about Mines and Minerals Department with the Forest & Environment Department.

The Committee accordingly recommends for a joint meeting together with Forest & Environment Department with the Mines & Minerals Department for an inclusive decision related to minerals at the earliest, as applicable.

4. During the meeting the Committee observes that there is an urgent requirement for construction of Departmental Guest House in different districts of the State.

Therefore, the Committee recommends for construction of Guest House in different districts especially in Tinsukia, Dibrugarh, Karbi Anglong, Guwahati & Dima Hasao.

5. The Committee observes that there is a necessity for few exemptions of Assistant Geologist posts from the PwD quota and recruitment process of 17 (seventeen) Assistant Geologist post.

Accordingly, the Committee recommended for exemption of Assistant Geologist posts from the PwD quota and expedite the recruitment process of 17 (seventeen) Assistant Geologist posts.

6. The Committee during the meeting makes the observation that there is a requisite for creation of the posts for District Offices with separate Grant.

So, the Committee recommends the respective Department to take up necessary action for creation of the posts for District Offices with separate Grant.

With these Observations and Recommendations as mentioned aforesaid, the Committee recommends that the Budget provision amounting to Rs. 2400.60 Lakhs during the financial year 2025-26 under the Grant No. 61 be accepted.

The Action taken on the report may be submitted to the Committee within 90 (ninety) days from the date of presentation of the Report to the House.
