1. Today, I rise to speak before you in the beginning of the Budget Session of 2023-24. On this occasion let me begin by highlighting some important developments that my government has initiated in recent times to bring Assam to the path of resurgence. Assam is in the midst of great transformation. My government, with blessings from the people of Assam and guidance from Hon'ble Prime Minister Shri Narendra Modi has scripted a new journey of unprecedented peace, progress and development. For many years, major constraints holding back development in the state were inadequate infrastructure and investment. But due to sustained efforts of my government, there is an incredible change in the state today. There is new confidence, hope and energy among the people, which give a paradigm shift in the development journey of the state.

2. Before I get into details, I consider it my privilege to highlight a snapshot of the achievements of my government in the cultural arena. Two achievements, both related to our cultural history, have stood out from the rest and have helped establish our heritage and culture on a higher pedestal. First, I would like to highlight the event of Lachit Divas organized in this year. It is matter of great satisfaction that the event celebrated in the National Capital has generated lot of awareness about Lachit Barphukan, the legendary military hero of Ahom kingdom. This was also a splendid opportunity to carve a niche for the Ahom rule on the international historical map.

3. Lachit Barphukan, the legendary general of Ahom king for his patriotism and gallantry has remained a source of inspiration for generations. He gave a crushing defeat to the invading Mughals, which saved this land from being 5 subjugated to the invaders. Significantly, 2022 was the 400th birth anniversary of this Military General and my government in its bid to pay honour to this legendary general celebrated the event with a series of programmes in New Delhi. This 3 day programme was attended by Hon'ble Prime Minister, Hon'ble Home Minister and Hon'ble Finance Minister of Government of India. It is also a matter of pride that Assam has made an emphatic entry into the Guinness World Records for its momentous feat on the Largest Online Photo Album of Handwritten Notes category. The record is made for having received 42.94 lakhs writeups on Lachit Barphukan. In this connection Certificate of Record has been handed to my government by the Guinness World Records Limited, UK on 9th March 2023.

4. My government is fast moving ahead in creating a resurgent Assam in the national landscape. Our endeavours find a major impetus with a number of landmark achievements, notable among them is the successful march of Charaideo Maidams to the coveted UNESCO World Heritage Site status. Maidams are the mound burial system of Ahom dynasty where the mortal remains of Ahom Kings and members of the royal family were laid to rest. It is a matter of pride and jubilation that the Charaideo maidams, which was India's sole nomination this year, have met all technical requirements of the UNESCO Secretariat. For this remarkable feat, on behalf of the Government of Assam and people of the state, I express my gratitude to Hon'ble Prime Minister Shri Narendra Modi for the nomination of Charaideo maidams to UNESCO World Heritage Site tag.

5. Bihu is the lifeline of Assam. For taking Assam's pride Bihu to the global landscape and register it in the Guinness World Records, a mega Bihu dance performance by more than 10,000 performers will be held on April 14 at Sarusajai Sports Complex. Hon'ble Prime Minister has already given consent to witness this magnificent event.

6. This year, the state has also made many significant strides in every sector of economy, including connectivity and infrastructure. In the Financial Year 2021-22, the state of Assam has for the first time crossed the Rs. 1 Lakh Cr. mark in budget expenditure. For 2022-23 fiscal, total

( 3 )

budget provision for the consolidated fund was made for a total amount of Rs.1,27,793 Cr. Against this budget provision, the Govt. of Assam till February' 2023 has incurred expenditure for a total amount of Rs. 1,03,000 Cr, which shows my government has already crossed the Rs. 1 Lakh Cr. mark in budget expenditure much ahead of this fiscal coming to an end. Going by this trend this year the total budget of my government will be touching around Rs. 1,20,000 Cr., which is a reflection of the growth of the State.

7. Meanwhile the capital expenditure in the state has increased by more than 150% in the last five years from Rs 7946 Cr. in the FY 2017-18 to Rs 20,229 Cr. as per the pre actual figure of FY 2021-22.

8. In this financial year in a milestone achievement, my government has received Letters of Permission for starting 3 new Medical colleges at Dhubri, Kokrajhar and Nagaon with increase of intake by 300 MBBS seats. While the fourth one at Nalbari is also expected to get permission soon. This will increase MBBS seats up to 1500. This is a momentous step towards improving medical education and doctors' availability in the state, especially considering the fact that since independence, there were only three medical colleges in Assam till 2009 with an annual intake of 326 MBBS students.

9. My government, unleashing a major boost to farmers' income, had rolled out paddy procurement drive in 2021-22 with Minimum Support Price (MSP) of Rs. 1940 per quintal for all farmers. This benefited 43,978 nos. farmers in the State and they earned around Rs. 1097 crore. Last year, the state procured 5.65 Lakh MT of paddy, of which only 1 (one) Lakh MT was procured by 16th March 2022. This year MSP has been increased to Rs. 2040 per quintal. My government has been able to procure 3.0 lakhs MT of paddy from farmers as on 4th March 2023, with 33,249 farmers having earned Rs. 612 crores selling their produce in 198 Paddy procurement centres across the state. My Government is hopeful of reaching the procurement target of 10 Lakh MT of paddy by the end of the current Kharif Marketing season on 30th September 2023.

10. With sustained efforts of my government, the financial position of the state has improved considerably. As per estimate, for the year 2022-23, the Gross State Domestic Product (GSDP) of the State at current prices

( 4 )

is estimated to reach 5 Lakh Crore as against Rs. 3,92,070.98 Crore in 2021-22. My government is confident of scripting this new history this year with GSDP crossing Rs. 5.00 L Cr. The per capita income of the State in terms of GSDP at current prices is estimated at Rs. 1,22,954 for the year 2022-23 as compared to Rs.1,11,162 in 2021-22 which is an increase of 10.61 percent.

11. My government has implemented a number of reform initiatives in finance sector for ensuring transparency and accountability which has played a key role in significant growth of revenue collection. During the current FY 2022-23 upto November 2022, an amount of Rs.12,747.53 Cr. (GST + Non-GST) has been collected as compared to Rs. 10,141.09 Cr. in the corresponding period of last F.Y. 2021-22 showing a growth rate of 25.70%. Today our own revenue has increased to Rs. 3,500 Cr per month with devolution, which is sufficient to pay salary to government employees from its own source. This is indeed a remarkable achievement of my government.

12. From May 2021 onwards, my Government has steadily progressed on an ambitious reform agenda focusing on policy and institutional reforms harmonised with investments in related sectors. The reform agenda aspires to boost trade, increase investments, generate jobs and to increase resilience to frequent and severe climate related shocks. This has also generated a renewed thrust in the EAP sector in the state showing considerable achievements in 2022.

13. Presently, there are 15 ongoing EAPs with a total involvement of Rs 31,126 Crs in various stages of execution. These projects are under implementation in sectors like Finance, Transport, Public Service delivery, Road & Bridge Infrastructure, Agriculture, Environment & Forest, Water Supply & Sewerage, Power, Skill development etc. Out of these ongoing projects, during 2022, Loan Agreements have been signed for 4 projects involving a project cost of Rs 13,862 Crs.

14. In addition there are 11 pipeline EAPs with an estimated amount of Rs 31,212 Cr. approved for implementation by the Department of Economic Affairs (DEA), Ministry of Finance, Government of India. It is noteworthy that during 2022 itself, out of these pipeline EAPs 5 projects totalling an estimated cost of Rs 13,572 Crs have been approved by Government of India, reflecting the efforts made by the Government to

pursue developmental projects and the support received from the Government of India for the State's welfare.

15. Till a few years ago, violence and insurgency were the order of the day in the state. But with committed efforts of the Central Government under the leadership of Hon'ble Prime Minister Shri Narendra Modi, for bringing lasting peace in Assam and the Northeast, today all major insurgent groups have either laid down arms or joined the dialogue process. Major peace accords were signed with insurgent groups, which include the Karbi Peace Accord, and the Adivasi Peace Accord. As a result of which large number of insurgent cadres belonging to these groups have since joined the mainstream after their outfits were disbanded. As a result of peace and normalcy fast coming to the state, the Armed Forces (Special Powers) Act, 1958 which was in force for last three decades was withdrawn from 24 districts and one sub-division of Assam w.e.f. 1st April 2022.

16. Today the people of Assam are also standing up to violence and turning their energy and skills to build a better, stronger, safer, productive and stable society. The culture of Bandhs and Dharnas are now a thing of the past. There is a marked improvement in law & order situation in the state. This has contributed to the plummeting rate of average crime rate per lakh of population which stood 384 during the last year and has significantly come down to 202 by the end of December 2022.

17. With the improvement in the law and order situation in the State, tourism sector has witnessed significant growth and attention during 2022-23. While the sector recorded 511% growth in respect of domestic tourists, it is 763% in respect of foreign tourist in-terms of tourist inflow in 2022-23 (January 2023) compared to the last year's inflow. New Tourism Policy 2022 has been prepared to promote the sector further. To promote private investments in the tourism sector in places like Kaziranga, Manas etc., government has given nod to sign agreement for mega hospitality projects with major hospitality groups. Assam is one of the few states in India to grant industry status to tourism.

aim to ensure quality, time bound and transparent citizen centric land related service delivery, the Government launched Mission Basundhara 1.0. which concluded with disposal of over 8 lakh applications. The high footfall of applications is that the evidence quantum of domain was unresolved land matters in the public huge, and that people have on the reposed firm belief service provided by the mission. 19. Earlier, the students of the reserved category faced a lot of trouble in getting their caste certificates issued, leading to great hassles in getting admission into educational institutes and joining government services. With an aim at providing Caste Certificate to the Scheduled Tribe, Scheduled Caste, Other Backward Castes and More Other Backward Castes at their doorstep in a complete hassle free manner, my Government has introduced the initiative of Mission Bhumi Putra. Under this mission all Caste Certificates are being issued by the Deputy Commissioners, and school students are being handed their certificates in their school itself. 21. Statistics show that child marriage is going on in Assam in violation of the Protection of Children from Sexual Abuse Act, 2012 and the Prevention of Child Marriage Act. As a result the maternal and neonatal mortality rates are still high in the state. The state government is taking this issue very seriously and is firm on having zero tolerance against child marriage. My government has already launched a massive opera-

tion since 3rd February 2023 against child marriage in the state and as many as 2789 persons who have violated the law on child marriage have been arrested so far. My government will come up with a relief and rehabilitation package for the victims of child marriage.

Having highlighted some of the endeavours of my government in bringing a paradigm shift in the development narrative of the State, I now would like to apprise the Hon'ble Members of the house about the sublime goals my government has set for the next year. Continuing with the development agenda and to foster inclusive growth, my government has set a vision and dream, which I would like to highlight.

a) My government came into power with a promise to providing 1 lakh jobs to youth in government sector, which I have just stated. But moving ahead my government aims to develop an eco-system where our youth can transform themselves from being job seeker to job creator. In next 36 months, my government will work for opening self-employment opportunities at a much greater scale, which will not only help our youth to be Atmanirbhar but will also go a long way in revitalizing the rural economy.  
2024 04 01 19:51

b) In case of Child Health, the state has made impressive progress in recent years. NFHS-5 data shows a decreasing trend of Under 5 Mortality Rate and Infant Mortality Rate in the state. But at the same time, data shows an alarmingly high percentage of child marriages and teenage pregnancy in the state, which has a direct bearing on the health of children. Keeping this in view, my government will adopt a mission mode approach to address the issues relating to improvement of Child Health.

c) My government has so far completed implementation of Category-I and Category-II under Assam Micro Finance Incentive and Relief Scheme (AMFIRS) 2021 which has benefitted almost 10 lakhs borrowers. My Government will take the momentum further and reimburse the lenders in case of Category-III of NPA to make the women borrowers debt free.

d) Continuing its focus on education, my government plans to take up a comprehensive approach for a resurgence of the education sector in the state. A major thrust will be given to improvement of infrastructure of educational institutions. Infrastructure of heritage educational institutions will be strengthened and hundreds of new schools will be taken up.

e) Similarly, continuing its efforts to increasing higher educational opportunities for the students, my government will build a sizable number of colleges in the state.

f) There has been a steady increase of urban population in Assam over the years. For addressing the health issues of these people, my government has already taken a number of steps. However, to make health facilities more accessible and affordable for the people living in towns and cities, urban health will be given a special focus by my government.  
2024 04 01 19:51

g) Considering the great help that millions in the state have received to fight against poverty through Orunodoi Scheme, my Government has already rolled out "Orunodoi 2.0" with a very inclusive set of guidelines. This scheme will be further strengthened to give a greater push to the economic and social status of the poor and disadvantaged section.

h) Assam has a long history of tea cultivation. In 1823, Singpho Gam or Bisa Gam, the chief of the Singpho community, presented the first tea plant to Major Robert Bruce, an agent of the East India Company. It was only then that the British discovered that tea was native to Assam keeping this in view, Assam tea is completing 200 years this year. Many schemes are, therefore, in the offing to rejuvenate the sector and for welfare of the tea garden brothers and sisters of the state.

i) My Government is working with a focus on fulfilling the basic human needs to ensure a dignified living for all. Apart from providing free foodgrains under NFSA, we want to go further and work in the direction of health and home for all. My government aims to ensure some kind of a material possession that every citizen can claim to be his or her own. In this regard, my government will launch a number of initiatives, which will be reflected in detail in the Budget.

tion, my Government has been working with the motto of "Affordable and Accessible Healthcare for All. In this direction, my Government has taken several steps for the healthcare sector which can rightly be called stepslutionary and never-seen-before in the State's remorable history. Once considered the refuge of those who cannot afford treatments in the private hospitals, the hospitals in the government sector today stand out as the most-glaring examples of what resolute will can do in transforming the fortunes of a sector. Treatment such as bone-marrow transplants, which were earlier considered a no-go zone in the State's healthcare system, are now being carried out with active support from my Government. I can say this with all confidence that my Government shall not hang its boot till it achieves all its intended designs for the healthcare sector.

88. My Government is working with the vision for ensuring healthcare services affordable and accessible. For this, various steps such as Chief Minister's Free Diagnostics Programme, free Operation for Children having congenital heart disease, Sneha Sparsha Scheme, Mobile Medical

(K) Youth Empowerment

90. Youths are the future of the State and my Government has been steadfast since day one in ensuring they are empowered to the extent that they can make use of the opportunities, a new and resurgent Assam and India is offering. In this direction, dedicated action plans are being implemented on mission modes, which in turn are enabling our youths to foray into territories considered difficult to venture just a few years ago. In days to come, I can visualize the State's youths touching newer heights of success in whichever field they would like to enter.

91. Skilling of the youth is the need of the hour given the requirements of

Industry 4.0 and modern day technological advancement. In view of this the North East Skill Centre was established in collaboration with ITE Education Services (ITEES), Singapore, which has been providing training in four disciplines - Food & Beverage Services, Hospitality-Housekeeping, Retail Services and Beauty & Wellness.

2024 04 01 19:53

(M) Boosting Energy Sector

97. Energy security is a prerequisite for complete growth of the society and the State. Keeping this in mind, my government took measures aimed at round-the-clock electricity across the nooks and corners of the State. Once considered a regular affair, load-shedding is now a thing of the bygone era and is considered an exception, rather than the norm. Numerous ambitious projects aimed at furthering the cause of energy security are either being implemented or are at various stages of development. Presently, there is no deficit in power supply in Assam and reliability of power supply has gone up to 22 hrs in Rural area and 23 hrs in Urban areas.

98. APDCL has completed electrification of all revenue villages of Assam and also has provided electricity connection to all eligible household of such villages under Deen Dayal Upadhyay Gram Jyoti Yojna (DDUGJY) and 'SAUBHAGYA' scheme.

100. My government has also taken up the Assam Distribution System Enhancement and Loss Reduction (ADSELR) project to improve voltage reliability with installation of 196 numbers of new Distribution Sub-Stations and 2674 numbers of High Voltage Distribution System (HVDS).

101. The construction of 120 MW Lower Kopili Project is expected to be complete by December 2024 and this will augment the power generating capacity of the state.

#### Concluding Remarks

102. Assam had been a land of plenty in the pre-independence period with the exports of oil, coal and tea indigenously produced. However, the gross negligence that the state faced post-independence had hindered full realization of its potential. Over a period of 6 decades since independence, Assam was reeling under communication bottleneck leading to socio-economic disparity with the rest of India. However, since 2014, Assam and the North- East have gained undivided attention from the Central

Government. Today, the Union Government under the leadership of Hon'ble Prime Minister Shri Narendra Modi has showered its unwavering commitment and attention to the state. With this attention, Assam is now witnessing a new era of peace, prosperity and unprecedented development.

103. This unwavering commitment and liberal assistance on the part of the Central Government have infused a newfound confidence and ushered in a new era of growth and development in the State. I wish to say that tomorrow will be ours. The resurgent Assam will have a new identity in the national landscape. The growth trajectory will take Assam to greater heights and make it as one of the top developed states of the country.

104. However, to keep the momentum going, there is a need to dedicate ourselves with full commitment in fructifying the developmental goal of the government. There is a need for the people of Assam to unitedly face the challenges and overcome the hurdles. I am sure Hon'ble members of this August House will also show exemplary leadership and inspire people to work for the common cause of development of the state.

Hon'ble Members,

105. My Government has been inspired and motivated by the mission of our beloved Prime Minister to turn North East into a "New Engine of Growth". Accordingly we have been trying to live up to the expectations in the last year. Our Government has initiated a number of measures aimed at unleashing the State's full potential. I have outlined the policies, programmes and achievements of my

Government. My Government is committed to fulfill all the promises made to the people of Assam. The glimpses of the policies and programmes outlined earlier give an idea of the direction my government proposes to take in the next 3 years. I request this August House to support and work together for all-round development of the state and for the benefit of all sections of the people of Assam.

শোকসন্তপ্ত পৰিয়ালবৰ্গলৈ অসম বিধান সভাৰ প্ৰধান সচিব ডাঙৰীয়াই সদনৰ এই শোক প্ৰস্তাৱৰ প্ৰতিলিপি প্ৰেৰণ কৰিব।

শ্ৰী ফণী ভূষণ চৌধুৰী (বঙাইগাঁও): অধ্যক্ষ মহোদয়, আপোনাৰ প্ৰতি মোৰ এটা appeal আছে। অসম বিধান সভা সচিবালয়ে আপোনাক ঠিক পথত চলাইছে নে নাই মোৰ সন্দেহ হৈছে। সদনখন অসম বিধান সভাৰ Rules of Procedure & Conduct of Business in Assam Legislative Assembly মতে পৰিচালনা কৰা হয়। চাৰ, Rule-21 ত Arrangement of Business, provisional programme and List of Business আছে। আমি সদনত Govt. business and Private Member's business আলোচনা কৰাৰ কথা ইয়াত উল্লেখ আছে। Private Member's business আমি মংগলবাৰ আৰু শুক্ৰবাৰ এই দুদিন কৰো। মই যোৱাবাৰো আপোনাক এই কথাটো অনুৰোধ কৰিছিলো। যোৱা নতুন বৰ্ষত যেতিয়া প্ৰথম Governor's Speech দিছিল, তেতিয়া List of Business ত সেইটো Govt. business বুলি উল্লেখ আছিল। এইবাৰ Govt. business, Private Member's business এই কথাৰ উল্লেখ নাই। চাৰ এই কথাখিনি স্পষ্ট কৰাটো ভাল।

ইয়াত আমি এই দুইধৰণৰ business আলোচনা কৰো, Govt. business হ'লে Govt. business বুলি লিখা থাকে আৰু Private Member's business হ'লে Private Member's business বুলি লিখা থাকে। গতিকে আমাৰ যি পৰম্পৰা, সেই পৰম্পৰাটো বক্ষা কৰাৰ বাবে সচিবালয়ক নিৰ্দেশ দিবলৈ মই অনুৰোধ কৰিছো। আজি মই List of Business ত Legislative business দেখিছো। Rules of Procedure & Conduct of Business in Assam Legislative Assembly ত Legislative business ৰ বিষয়ে উল্লেখ আছে নে নাই মই লক্ষ্য কৰিব পৰা নাই। Legislative business মানে Govt. business যেই। গতিকে, এই বিষয়টো চাই আপুনি ব্যৱস্থা কৰক।

**মাননীয় অধ্যক্ষঃ** সন্মানীয় সদস্য আৰু সন্মানীয় সদন। আমাৰ বিধান সভাত বিষয়বোৰ চৰকাৰৰ তৰফৰ পৰা হয় আৰু কিছু বিষয় আমাৰ সদনৰ থাকে। মৃত্যু প্ৰসংগ চৰকাৰৰ নহয়, ই আমাৰ সদনৰ। Governor's Address চৰকাৰৰ। তেনেকুৱা ধৰণৰ কিছুমান বিষয় থাকে যিটো Legislative বুলি কোৱা হৈছে, সেইটো মানে হ'ল আমি Legislative কৰিম যিবোৰ বিল ইয়াত introduction হ'ব। বাকীবোৰ ৰিপোর্ট দাখিল ইত্যাদি থাকে। যিদিনা Private Member's Bill, specific দিনত থাকে, সেইদিনা আমি যদি চৰকাৰী কাৰ্যসূচীও লওঁ, বিশেষ কাৰণত BAC য়ে যদি চৰকাৰৰ কোনো বিষয় এটা বা বিল Private Member's business ৰ দিনা এঘণ্টা বা দুঘণ্টা আলোচনা কৰিবলৈ লয়, তেতিয়া সেইটো define কৰিবলৈ দুটা business সেইদিনা show কৰা হয়। এটা Govt. business আৰু আনটো Private Member's business। যদি মংগলবাৰ আৰু শুক্ৰবাৰে চৰকাৰৰ কোনো বিষয় নাথাকে তেতিয়া সেইটো সম্পূৰ্ণভাৱে Private Member's business বুলিয়েই থাকিব। সেইকাৰণে বাকী দিনত এইটো উনুকিয়াব লগীয়া নহয় আৰু তেতিয়া আমি সেইটোত আমি লিখিব লাগিব যে মৃত্যু প্ৰসংগটো চৰকাৰী কাৰ্যসূচী নহয়, ৰাজ্যপালৰ ভাষণটো চৰকাৰী কাৰ্যসূচী হয়। আজি যিহেতু Private Member's Bill নাই, সেইকাৰণে সেইটো কেৱল business হিচাপে ৰখা হৈছে। কিন্তু, শুক্ৰবাৰে যদি Private Member's business থাকে আৰু সেইদিনাই যদি চৰকাৰৰ কিবা বিষয় থাকে তেন্তে সেইদিনা List of Business ত আমি দুয়োটাই উল্লেখ কৰিম। এই ক্ষেত্ৰত যিটো আছে সেইটো আমি তেনেকুৱা ধৰণে কিবা এটা দৰ্শাইছো যিহেতু Private Member's business ৰ বাবে specific day fixed কৰা আছে। তাত যদি কিবা বেলেগ বিষয় সোমাই দিয়ে তেন্তে সেইটো উনুকিয়াই দিব যে সেই বিষয়টো Govt. business।

**শ্ৰী ফণী ভূষণ চৌধুৰী (বঙাইগাঁও)ঃ** অধ্যক্ষ মহোদয়, পৰম্পৰাটো বক্ষা কৰিবলৈহে মই অনুৰোধ কৰিলো।...interruptions....

**মাননীয় অধ্যক্ষঃ** হয়তো কৰ'বাত আমাৰ গণ্ডগোল হৈ গৈছে। ...interruptions.... আমি বাৰে বাৰে পৰম্পৰাক লৈয়েই কথা পাতি আছে। আমি parliamentary practice টো যিমান পাৰো upgrade কৰি যাব লাগিব। লোকসভাই যিটো follow কৰে, সেই ক্ষেত্ৰত এনে নহয় যে লোকসভাই আগৰটোকে লৈ traditionally চলি আছে। আজি আমি অকণমান সলনি কৰিছো যে House ত generally Governor Address ৰ দিনা আহি announce কৰা হৈছিল যে আজি Governor ডাঙৰীয়াৰ ভাষণ আছে বা ভাষণৰ বাবে তেওঁ ইমান সময়ত আহি পাব, সেইকাৰণে মুখ্যমন্ত্রী ডাঙৰীয়া, Parliamentary Affairs Min-

ister আৰু আমি ৰাজ্যপাল ডাঙৰীয়াক আদৰি আনিবলৈ গৈ আছো, সদনত সদস্যসকলক বহি থাকিবলৈ অনুৰোধ কৰিলো। এইখিনি কোৱাৰ আমাৰ দৰকাৰ আছে নে নাই? Parliament ৰ practice ত যদিবা ৰাষ্ট্ৰপতি ডাঙৰীয়াৰ ভাষণ থাকে, আগতীয়াকৈ একো নাথাকে যিহেতু তেওঁৰে সম্বোধন কৰি আৰম্ভ কৰিব। সেইকাৰণে ৰাষ্ট্ৰপতি ডাঙৰীয়াক আদৰি অনাৰ পাছত একেবাৰতে সভাখন আৰম্ভ হৈ যায়। তাৰপাছত আমি বাকী Business বিলাক চলাই থাকিম। সেইকাৰণে আজিও সেইটো কৰা হৈছে কাৰণ Rule ত কোনো তেনেকুৱা নাই যে সদনখন আৰম্ভ কৰি মাজত তেওঁক আদৰি লৈ আনিব লাগিব। কিন্তু আমাৰ convenient ৰ কাৰণে আমি সেইটো কৰিছো যে একেবাৰতে তেওঁক আমি আদৰি আনিম কাৰণ time ধৰিবলৈ দিগদাৰ। As per protocol, তেখেত আহি পোৱাৰ আগতেই তাত receive কৰিবলৈ Speaker, Chief Minister তাত যাবই লাগিব। কিন্তু কেতিয়াবা এনেকুৱাও হয় যে তেখেতে আগতে আহি পায় আৰু আমি সদনৰ পৰা ওলাই যাব নোৱাৰো। গতিকে তেনেকুৱা ধৰণৰ কিছুমান বিষয় যিবিলাক আছে সেইবিলাক আমি সংশোধন কৰিব লাগিব। কিন্তু যিখিনি ইয়াত আছে তাত কোনো তেনেকুৱা ধৰণৰ নাই। আমি আমাৰ সুবিধাৰ কাৰণে কিছুমান কৰি আছো যিবিলাক Rule ত কোনো specific কথা নাই যে তেনেকৈ হ'বই লাগিব বুলি। যিমান পাৰো আমি Parliamentary Businessৰ ক্ষেত্ৰত লোকসভা বা ৰাজ্যসভা যিটো আমাৰ highest forum, যিটো আমি মানি চলো বা কিবা এটা যদি আমাৰ মাজত বিতৰ্ক চলে আমি সেই Rule টোৱে চাবলগীয়া হয়, সেইটোকে লৈ কাম কৰি থকা হৈছে। আমি ইতিমধ্যে Rule Committee ক আহ্বান জনাব খুজিছো, যিবোৰ বিষয় আছে তাৰবাবে Rule Committee বহি এই Rule সমূহ কিছু কৰবাত যদি থাকি গৈছে বা কৰবাত যদি add কৰিব লাগে সেইটো যাতে আমি কৰিব পাৰো আৰু তেনেকুৱা ধৰণৰ যাতে confusion আমাৰ মাজত নুঠে। আজি Business ত যিটো কিবা কৰা হৈছে সেইটো সেইখিনিয়ে কথা।

**শ্ৰী অখিল গগৈ, (শিৱসাগৰ) :** মাননীয় অধ্যক্ষ মহোদয়, মোৰ এটা Point of Order আছে। ৰাইজৰ দলে Election Commission of India ৰ পৰা Registration লাভ কৰিছে। এই Certificateখন জমা দি মই আপোনাক অনুৰোধ কৰিছিলো যে আমাৰ All Party Meeting বিলাকত আমাক নিমন্ত্ৰণ কৰাৰ ব্যৱস্থা কৰিব লাগে আৰু BAC তো আমাক include কৰা ব্যৱস্থা কৰিব লাগে। মই সেই বিষয়টো লৈ আপোনাক personally ও লগ ধৰিছিলো আৰু বাকী Officials বিলাককো লগ ধৰি আছো। এতিয়ালৈকে ইয়াৰ ওপৰত কোনো ব্যৱস্থা গ্ৰহণ কৰা নাই। মই আশা কৰো যে আপুনি কিবা এটা ব্যৱস্থা গ্ৰহণ কৰিব।

**ড° ৰফিকুল ইছলাম, (জনীয়া) :** মাননীয় অধ্যক্ষ মহোদয়, অখিল গগৈ ডাঙৰীয়াৰ কথাটো মই সমৰ্থন কৰিছো। আমি আমাৰ ফালৰ পৰাও তাৰবাবে অনুৰোধ জনাইছো।

**মাননীয় অধ্যক্ষ :** সন্মানীয় সদস্য ডাঙৰীয়াই যিটো Party Recognitionৰ কথা কৈছে, Registration আৰু Recognition দুয়োটাই সুকীয়া। কোনো পাৰ্টীৰ বিধায়ক নাথাকিলেও সেই পাৰ্টীটো Registered Party হ'ব পাৰে। কিন্তু যেতিয়া বিধান সভাৰ ভিতৰত আছে তেতিয়া Recognition ৰ কথাটো আছে। এতিয়া যিসকল দলৰ বিধায়ক থাকে, সেইটো Election Commission Recognition দি দিয়ে। কিন্তু ৰাইজৰ দলে এতিয়া আমাক যিসমূহ Documents দিছে, তাত তেওঁলোকে এতিয়ালৈকে Recognition পোৱাৰ কোনো Documents নাই। বাকী আপুনি যিখিনি কৈছে যে Business Advisory Commit-

tee বা All Party Meeting আদিত আপোনালোকক include কৰাটো মই বিবেচনা কৰি ঠিক কৰি আছো।

**শ্ৰী কমলাক্ষ দে পুৰকায়স্থ, (উত্তৰ কৰিমগঞ্জ) :** মাননীয় অধ্যক্ষ মহোদয়, আমি সন্মানীয় ৰাজ্যপালৰ বক্তব্যত কৈছিলো যে বাচ্চু কাডু মহাৰাষ্ট্ৰৰ বিধায়ক হয়। তেখেতে অসমৰ ৰাইজক কুকুৰৰ মাংস খায় বুলি ক'লে। কিন্তু অসম চৰকাৰে ইয়াৰ ওপৰত কোনো reaction দিয়া নাই। Accordingly আমি দেখিলো যে পৰন খেৰক দিল্লী এয়াৰপোর্টৰ পৰা ধৰি আনিছে অসম পুলিচে মুখমন্ত্ৰী ডাঙৰীয়াৰ নিৰ্দেশ মৰ্মে। অসমৰ ৰাইজে কুকুৰ মাংস খায় বুলি কোৱাৰ পাছতো কিন্তু অসম চৰকাৰে ইয়াৰ ওপৰত কোনো reaction দিয়া নাই। সেইকাৰণে মই ভাৱো যে---  
---- interruption ----

**শ্ৰী অখিল গগৈ, (শিৱসাগৰ) :** আমাৰ বিধান সভাত ইয়াৰ ওপৰত এটা প্ৰস্তাৱ ল'ব লাগে।

-----হলস্থল-----

(কংগ্ৰেছ আৰু ৰাইজৰ দলে সদন ত্যাগ কৰে)
